

This is the script for the **To The Point** Recording. The crucial interactions take place at a time code that is easy to remember. The most important responses from The Stranger have been indicated below by displaying the time code in bold. In these cases, you want to be sure to finish what you are saying before The Stranger responds so the conversation makes logical sense. When the time code is not bold, it's okay for The Stranger to cut you off and for you both to talk over each other when interacting with the recording (this is the way conversations happen in real life).

Pro-Tip: Use the timer on the phone calling screen to help you know where you are in the script.

0:00 **Stranger:** *Hi. I'll be right down.*

Magician: *Hi, hello. Who's this? Who am I talking to?*

:05 **Stranger:** *Sorry, Who's this?*

Magician: *Hi. My name is Jonathan. I'm a magician. This is not a prank call. Do you have just a second to help with something?*

:15 **Stranger:** *I'm waiting for a friend, mate? I don't really have time.*

Magician: *I'm sorry to bother you. I just need you to name a playing card and I'll let you go. I promise..*

:25 **Stranger:** *Name a card?*

Magician: *Yes. Please.*

:30 **Stranger:** *Ummm....Jack of Spades.*

Magician: *Yes! That's it. Thank you!*

:35 **Stranger:** *Really? You're sure this is not a hoax or something?*

Magician: *Not a hoax at all. In fact, what you did was incredible. Thanks so much!*

:45 **Stranger:** *Bye.*

Magician: *Disconnect the call.*
